

Endorsement of Strategic Program for Climate Resilience for Tajikistan

The PPCR Sub-Committee having reviewed document PPCR/SC.7/7, *Strategic Program for Climate Resilience for Tajikistan*, endorses the Program and agrees to the further development of the activities foreseen in it, subject to a revised version of the SPCR to be posted on the CIF website by January 31, 2011. The Sub-Committee agrees to an envelope of up to USD50 million in PPCR grant funding to co-finance the program.

The Government of Tajikistan and the MDBs are requested to take the comments of the Sub-Committee into account in the further development of the projects. Sub-Committee Members are invited to submit in writing those comments that are to be taken into account in the further development of the proposals included in the SPCR. All comments will be posted on the PPCR website.

In addition to the comments to be submitted in writing, the Government and the MDBs are requested to take into consideration when developing the projects and programs related to the SPCR the following points raised during the meeting:

- a) strengthen gender consideration in project design and implementation;
- b) strengthen the involvement of the private sector in PPCR investments;
- c) strengthen the participation of civil-society organizations in project preparation and implementation;
- d) enhance the presentation of the innovation and incremental activities for the use of PPCR funding;
- e) consider merging the two proposed technical assistance projects on capacity development and climate science; and
- f) clearly articulate the expected results from the PPCR investment
