[Approval by Mail]: Revised Indonesia Accelerating Coal Transition (ACT) Investment Plan – Proposed Decision

Dear CTF Trust Fund Committee members,

As you will recall, on October 26, 2022, the CTF Trust Fund Committee reviewed the document entitled, *Indonesia Accelerating Coal Transition (ACT) Investment Plan (document CTF/TFC.IS.3/04)*, and decided to endorse the Investment Plan *in principle* subject to the submission of a revised Investment Plan by the Government of Indonesia, that would take into account the comments made by CTF TFC members, for the Committee's further consideration.

Please find attached for your endorsement a revised ACT Investment Plan prepared by the Government of Indonesia with the support of the Asian Development Bank (ADB) , World Bank and the International Finance Corporation (IFC) with a request of USD 500 million. A cover letter by the Government of Indonesia including a comments matrix along with a tracked version of the original Plan highlighting the changes are also attached for your reference. In accordance with the CTF Guidelines for Management of Pipeline and Revisions to Investment Plans, the revised investment plan for Indonesia requires endorsement by the Trust Fund Committee.

The CTF Trust Fund Committee is therefore requested to approve the following decision:

The CTF Trust Fund Committee, having reviewed the *revised Investment Plan for Indonesia for the CIF Accelerating Coal Transition (ACT)* , dated May 12, 2023, endorses the Investment Plan as a basis for the further development of the projects foreseen in the plan and takes note of the total requested funding of USD 500 million, inclusive of project preparation grants and MPIS, to support the following projects:
