**[BANGLADESH: SCALING-UP RENEWABLE ENERGY PROJECT (SREP) (WORLD BANK)-
XSREBD076A -**

COMMENTS FROM UNITED KINGDOM

Could the project team please provide a more detailed breakdown of the Financial and Economic analysis for the whole of the Component 2 - Renewable Energy Financing Facility (REFF), as opposed to just the Solar PV rooftop subproject discussed in Annex 3, giving details of any assumptions used so we can reach a fuller understanding of the total expected results.
