[APPROVED BY MAIL]: DPSP II: DOMINICA: GEOTHERMAL RISK MITIGATION (WORLD BANK) (CTF) - XCTFDM619A

COMMENTS FROM UNITED STATES

Dear CIF Admin Unit,

Thank you for the opportunity to review this project. We note that this geothermal field is being built near a UNESCO World Heritage site and the area of influence seems likely to include various protected areas. What impacts is this project expected to have on those protected areas? What is the status of the ESMS? When will the ESIA be available for review?

Thanks again,
Meghan Herwig on behalf of Katie Berg
