**Comments from United Kingdom on the Approval by mail: Colombia -
Strategic Public Transportation Systems (SETP) Program**

Dear Patricia,

Many thanks for circulating this project proposal. While this is clearly a sound project, we are unable to adequately evaluate it as it does not explicitly address any of the CTF investment criteria. I would therefore request that the project team supplement the proposal with a section that addresses these criteria in detail. We will not be able to give our approval to this project until this is done.

Kind regards,

Simon
