**Approval by mail: Morocco: Noor II & III Concentrated Solar Power (CSP) Project CTF
(AfDB and IBRD)**

Dear Patricia,

The UK is pleased to **approve this highly transformational project** on an extraordinary basis.

We would like to register our concern regarding the timing of the submission of this project proposal for approval noting that it is prior to the revised MENA Investment Plan being approved.

We would like the World Bank to report the actual leveraged co-finance to the committee as soon as this information is available.

Kind regards,

Department
of Energy &
Climate Change
